Hi Rich,

This looks good. I checked with Pat regarding a Pavillion public meeting in January and she's been trying to get information from some of the other team members and just keeps being told they know nothing. All seems to be very eerily quiet with Pavillion. Maybe because of this other ad hoc group that's coming together to look more at the national picture that all will be quiet in the Region for now? If I hear anything otherwise, I'll let you know.

Thanks, Libby

Hi all-- for your review and input by Wednesday 2 pm.

I need to submit the weekly edition of our Region 8 30-day press planner to HQ tomorrow. I've attached an update to last week's submission below.

Please let me know if you 1.) have any updates to items currently listed or 2.) have new items for the period between November 29 and December 28.

As a reminder, the press planner content includes NEWS RELEASES (includes press releases, news briefs, statements, and media advisories), PRESS EVENTS, SPEAKING ENGAGEMENTS (including RA, DRA, MO), WEBINARS, and SIGNIFICANT PUBLIC MEETINGS.

Sincere thanks for your continued help with this!
